

Dear Beloved LWWC Church Family and Friends,

It's here!! This Sabbath, December 2, 2023, we will celebrate our 23rd church anniversary, and we are planning a special service in this celebration. You won't want to miss it! If you are not in the Dallas area and view our services online, please invite a family member, friend, neighbor, or a co-worker to join you in viewing the service. I will be speaking on the subject, "Mission (un)Accomplished".

We will return to Fellowship Baptist Church of Oak Cliff, 3607 S. Westmoreland Rd., Dallas, TX 75233, for this weekend's service. There are still some finishing touches being finalized on our former church building which will prevent our worship service from being held there. You can be assured, nonetheless, that we are close to returning. We will keep you updated weekly for this return.

Please note: we will not have Children's Church this Sabbath to allow for everyone to enjoy the weekend celebration together.

I look forward to worshipping with you this Sabbath!

Yours in pastoral love and service,

~Pastor Perkins
